

Community-Identified Project Approval Notice
Transit Vehicle Replacement Program (for Dial-A-Ride)
Emission Reduction Program Plan

Air District: San Joaquin Valley Air Pollution Control District (District)

Community: Shafter

Community Emissions Reduction Program Measure:

HD.5 INCENTIVE PROGRAM FOR TRANSIT VEHICLE REPLACEMENT (FOR DIAL-A-RIDE)

Project Plan Identifier: 2023-01CIP-SJV

Project Type: Community-Identified Project

Project Plan Completion Date: March 7, 2023

CARB Action (Date): Approved; March 16, 2023

Project Description: This measure will provide incentive funding for Dial-A-Ride vehicle replacement projects. The identified eligible grantee is a public agency within the Shafter community. The grant amount will cover up to 100 percent of eligible costs for the replacement of the Dial-A-Ride vehicles.

Project Benefits: This strategy supports emission reductions associated with the deployment of electric or plug-in hybrid Dial-A-Ride vehicles and will provide equitable access to clean transportation and increase zero-emission mobility for the Shafter community. The air district will use the established methodology for Clean Mobility Options under the Innovative Transit Service type and Vehicle Replacement project type.
