17:22:26 From CARB - Michelle Byars to Everyone:

Here's a link to CERP measures adopted throughout the state. Similar to the package you have received from Valley Air, this list is full of ideas for your reference and maybe inspiration, but not a list of recommendations. Click on the "Emissions Reduction Strategies" icon to access the full list of measures from this link <https://ww2.arb.ca.gov/capp-communities>

17:23:07 From Spanish Interpreter Tania, Linguistica to Everyone:

De CARB - Michelle Byars

Aquí hay un enlace a las medidas CERP adoptadas en todo el estado. Al igual que el paquete que ha recibido de Valley Air, esta lista está llena de ideas para su referencia y tal vez la inspiración, pero no una lista de recomendaciones. Haga clic en el icono "Emissions Reduction Strategies" para acceder a la lista completa de medidas desde este enlace <https://ww2.arb.ca.gov/capp-communities>

17:31:38 From CSC - Emma De La Rosa to Everyone:

I have a question before we break out if that's possible

17:33:24 From Spanish Interpreter Tania, Linguistica to Everyone:

De CSC - Emma De La Rosa

Tengo una pregunta antes de salir si es posible

17:35:09 From CSC-Gustavo Aguirre Jr CCEJN to Everyone:

for reference: AB 617 has a "Blue Print Program" that lays out the power that residents have to build the best CERP available to them as a community- this is the guiding document please feel free to use it. Apx C covers most of it. attached here:

Hola Roberto Garcia ya se va a conectar con Maria Estela Garcia

17:46:16 From Spanish Interpreter Tania, Linguistica to Everyone:

From SP-R - Maria Estela Garcia
Hi Roberto Garcia will now connect with Maria Estela Garcia

17:49:12 From CSC - Emma De La Rosa to Everyone:

Muy buenas ideas Joanna !

17:49:36 From Spanish Interpreter Tania, Linguistica to Everyone:

From CSC - Emma De La Rosa
Very good ideas Joanna !

17:51:40 From R - Byanka Santoyo to Everyone:

But not pay for the whole machinery

17:52:55 From R - Byanka Santoyo to Everyone:

That where the air district gave to polluters 75% of the machinery and we could strategize how much is given

17:52:55 From Spanish Interpreter Tania, Linguistica to Everyone:

De R - Byanka Santoyo
Pero no pagar por toda la maquinaria

17:53:45 From CSC-Gustavo Aguirre Jr CCEJN to Everyone:

For Road dust, a great method to reduce it at the neighbor scale would be a Street Sweeper...

17:53:59 From AD - Clarissa Price to Everyone:

It's Highway 223

17:54:12 From Spanish Interpreter Tania, Linguistica to Everyone:

De CSC-Gustavo Aguirre Jr CCEJN
Para el polvo de la carretera, un gran método para reducirlo a escala de los vecinos sería una barredora de calles...

17:57:10 From CSC - Emma De La Rosa to Everyone:

Que tal como reducir el polvo o los impactos del polvo para trabajadores del campo?

17:58:57 From Emilia, Support Linguistica to Everyone:

From Emma: How about how to reduce dust or dust impacts for field workers?

17:59:27 From CSC - Emma De La Rosa to Everyone:

I agree Odon! It could also help address safety concerns that residents from Fuller Acres have raised

17:59:32 From CSC-R-Valeria Navarro to Everyone:

I support the re-route and the barrier for school

17:59:36 From CSC R - Jesus Alonso to Everyone:

sorry I forgot to mention better incentives for, electric station, trading in old vehicles and incentives for residents to use car share programs.

17:59:40 From AD - Jessica Olsen to Everyone:

Great idea, Emma. We can keep brainstorming in the breakout groups for these categories.

17:59:58 From Emilia, Support Linguistica to Everyone:

de Emma a Odon: ¡Estoy de acuerdo Odon! También podría ayudar a abordar las preocupaciones de seguridad que los residentes de Fuller Acres han planteado.

18:00:24 From Emilia, Support Linguistica to Everyone:

de Jesus Alonso: Lo siento, olvidé mencionar mejores incentivos para, estación eléctrica, comercio de vehículos viejos e incentivos para que los residentes usen programas de autos compartidos.

18:00:47 From Emilia, Support Linguistica to Everyone:

de Jessica Olsen: Gran idea, Emma. Podemos seguir haciendo una lluvia de ideas en los grupos de trabajo para estas categorías.

18:03:16 From Byanka Santoyo to Everyone:

Can I join I group please

18:03:30 From Byanka Santoyo to Everyone:

Thank you

18:20:37 From CSC-Gov - Christine Viterelli to Everyone:

Sure.

18:27:16 From Linda Urata Kern COG to Everyone:

Great - school notification on pesticides. Consider a partner program - where a farm near a school partners to educate students on nutrition, farm jobs, and then likewise the schools remind the farms of the importance to be mindful of when students are outside, especially.

18:27:36 From Linda Urata Kern COG to Everyone:

I have to leave at 6:30pm. Good job everyone. Good night!

18:47:19 From Spanish Interpreter Tania, Linguistica to Everyone:

18:52:35 From Spanish Interpreter Tania, Linguistica to Everyone:

De CSC-R-Tim Prado a

¿Podemos añadir más notas en uno de los temas que tenía una idea más

18:53:10 From Spanish Interpreter Tania, Linguistica to Everyone:

De AD - Jessica Olsen

por favor @ Tim. añádelos al chat si quieres. ¡Los añadiremos!

18:53:28 From CSC - Emma De La Rosa to Everyone:

I have to jump off a bit early. Thanks everyone!

18:54:15 From Spanish Interpreter Tania, Linguistica to Everyone:

De CSC - Emma De La Rosa

Tengo que salir un poco antes. ¡Gracias a todos!

18:58:46 From CSC-R-Tim Prado to Everyone:

For the topic of outreach I would like to see outreach and Incentives for residents to remove palm trees which are least effective at carbon sequestration

18:59:18 From Spanish Interpreter Tania, Linguistica to Everyone:

De CSC-R-Tim Prado

Para el tema de la divulgación me gustaría ver la divulgación y los incentivos para los residentes para eliminar las palmeras que son menos eficaces en la captura de carbono

18:59:49 From AD - Jeannine Tackett to Everyone:

Tim, I will add that to our board. Thanks

19:01:49 From Spanish Interpreter Tania, Linguistica to Everyone:

De AD - Jeannine Tackett

Tim, lo añadiré a nuestro tablero. Gracias
