16:38:26 From Lily Wu, OEHHA : What I am hearing of Marlene's description of inspection(s), and Byanka's question has the difference of notice so one can protect oneself. Applicators have PPE, and residents (children or not) do not have PPE... is this correct, Byanka?

Los aplicadores tienen EPP, y los residentes (niños o no) no tienen EPP... ¿es esto correcto, Byanka?
