

Hello Stockton Outreach Subcommittee,

Thank you for the great discussion and feedback at today's meeting. As we ran a little long, we wanted to share this email to recap what was discussed and action items from the meeting. Please feel free to share any corrections or additions! This email will also be posted as a PDF to the [Outreach Subcommittee page](#).

Meeting Recap

- Heard from District Grants Team about Residential Wood Burning Emission Reduction Program
- Discussed upcoming events and methods for in-person outreach
- Reviewed new [Stockton Outreach Resources page](#)
- Updated [Community Partner Contact List](#)

Action Items from Meeting

Action Item	Who is responsible?
Air District will update Stockton Burner Cleaner flyer (update to say "Southwest Stockton" and add QR code to check boundary)	Air District
When finalized, Air District will post Stockton Burn Cleaner flyer to Stockton Outreach Resources page	Air District
When finalized, Air District will mail Stockton Burn Cleaner flyers to Lenard	Air District
Air District will research feasibility of adding Burn Cleaner mailers to utility bills	Air District
Air District will update Community Event Tracker and post to Stockton Outreach Resources page	Air District
Subcommittee can continue to add to Community Partner Contact List for potential outreach opportunities	Outreach Subcommittee

Next steps for consideration

- Solicit organizations for Community Partner Contact List at next CSC meeting during standing updates
- Volunteer co-leads for future subcommittee meetings?
- Next meeting on **Friday, May 13th at 2 pm**, Brianna will take notes and Lenard will time keep
