

Enforcement Updates in Arvin/Lamont

December 2021

Arvin/Lamont

AB 617 Community Steering Committee Meeting

Enforcement History

Continued Need For Enforcement

- Cumulative exposure is a major concern.
- Your community has voiced the following as their major concerns:
 - Odors
 - Oil and gas operations
 - Truck operations and idling
 - Fugitive dust and pesticides

Plans to Expand Enforcement

- We will expand and increase our efforts better support the CSC.
- This will include
 - Canvassing the region
 - Evaluating truck and equipment parking and idling in the area
 - Conducting oil and gas facility inspections with the SJVAPCD
 - Supplemental environmental projects (SEPs)
 - Regular report-backs to the community
