

Category	Subcategory	Type of Measure	Idea	Number of Comments	Primary Agency Partners	Pollutants Reduced	Average Cost for Incentives
Community	Dust	Incentives	Replace and support street sweeping	3	City County	PM	
Community	Lawn & Garden Equipment	Incentives	Replace residential lawn and garden	3	District	NOx	\$500 per mower
Community	Lawn & Garden Equipment	Incentives	Replace commerical lawn and garden	2	District	NOx	\$20,000 per mower
Community	Open burning	Incentives	Alternatives to ag burn (chipping)	2	District	PM	\$300-\$1,400 per acre
Community	Roads & Sidewalks	Incentives	Better sidewalks, lighting	4	City County	Mitigation	
Community	Roads & Sidewalks	Incentives	Electric scooters/ Ebikes	4	District	PM NOx VOC	
Community	Roads & Sidewalks	Incentives	Bike Paths	2	City County		Up to \$150,000 (Avg incentive \$60,000)
Community	Trees	Incentives	Urban greening	5+	City County	PM	\$50,000-\$1,000,000 varies based on size and scope of project
Community	Trees	Incentives	Vegetative barriers at schools along highways, along orchards, near facilities	5+	District	PM	\$50,000-\$1,000,000 varies based on size and scope of project
Mobile Sources	Heavy Duty Equipment	Incentives	Replace old tractors	1	District	PM NOx VOC	\$300-\$650 per horespower (Avg incentive \$60,000)
Mobile Sources	Heavy Duty Trucks	Incentives	Heavy-duty truck reroute study	5+	City County Caltrans	Mitigation	\$250,000 per study
Mobile Sources	Heavy Duty Trucks	Incentives	Replace diesel trucks	2	District	PM NOx VOC	\$100,000 Near-zero \$200,000 Electric per truck
Mobile Sources	Passenger Vehicles	Incentives	Increase incentive for resident vehicle repair	5+	District	NOx VOC	\$600 per vehicle
Mobile Sources	Passenger Vehicles	Incentives	Replace public fleet vehicles	5+	City County	NOx VOC	\$20,000 per vehicle
Mobile Sources	Passenger Vehicles	Incentives	Car sharing program	4	City County	NOx VOC	
Mobile Sources	Passenger Vehicles	Incentives	EV charging infrastructure for public	3	City County	Supports emissions reducion measures	\$5,000 Single Port \$6,000 dual port \$25,000 DC Fast Charger
Mobile Sources	Passenger Vehicles	Incentives	Increase incentive for resident's vehicle replacement	3	District	NOx	\$20,000 per vehicle
Mobile Sources	School Buses	Incentives	Incentives for Electric Buses	5+	School Districts	PM NOx VOC	\$400,000 per bus
Community	Dust	Enforcement	Enforcement of dust regulations, inventory of businesses with unpaved parking	5+	District	PM	
Facilities	Enforcement	Enforcement	Enhanced enforcement, specifically for flares and wells	4	District	Mitigation	
Facilities	Enforcement	Enforcement	List of sources, location to receptors, enforcement history	3	District	Mitigation	
Facilities	Enforcement	Enforcement	Alternative settlements for communities near violations (active involvement on facility's part)	1	District	Mitigation	
Mobile Sources	Heavy Duty Trucks	Enforcement	Enhanced enforcement of truck rules and regulations	2	District CARB	PM NOx	
Community	Dust	Outreach	Outreach about low dust harvesters	2	District Farm Bureau	PM	
Outreach	Education	Outreach	Resources for community, regular mailers, assistance with grants, HAL outreach	5+	District	Outreach	

Outreach	Education	Outreach	Carbon sequestration, recycling education	3	CARB CalRecycle	Outreach
Outreach	Education	Outreach	Education for residents instead of fines	1	District	Outreach
Outreach	Outreach	Outreach	Better home environments (electrify, remove swamp coolers, discourage burning, solar)	3	District CARB	Outreach
Outreach	Outreach	Outreach	Prioritize small business for grant opportunities, outreach about regulation (including dairies) about ways to improve AQ	3	District	Supports emissions reduciton measures
Outreach	Illegal Burning/Dumping	Outreach	Illegal burning outreach	4	District	Supports emissions reduciton measures
Outreach	Schools	Outreach	Specific outreach to schools, parents about idling	5+	School Districts	Supports emissions reduciton measures
Mobile Sources	Passenger Vehicles	Partnership	Prime Parking for Evs	1	City County	Supports emissions reduciton measures
Mobile Sources	Trains	Partnership	Study (using train schedule) impacts of trains on Lamont	2	CARB	Supports emissions reduciton measures
Partnerships	Partnership	Partnership	Education about pesticide exposure, notification, monitoring	5+	DPR CARB	Pesticides
Partnerships	Partnership	Partnership	Increased communication with City, County, ag commissioner, assistance with LU efforts, enhanced notification of projects	4	Ag Commissioner County City Council of Governments District	Supports emissions reduciton measures
Facilities	Regulations	Regulatory	Review regulations for facilities	2	District	Supports emissions reduciton measures
