

Stockton AB 617 CSC Meeting - Chat Transcript
July 7, 2021 5:00-7:00 p.m.

00:31:14 CSC-V-Jonathan Pruitt- Catholic Charities: Hello everyone! Thank you for attending this evening. Feels too long since we last saw each other

00:33:53 CSC-V-Jonathan Pruitt- Catholic Charities: I do remember seeing someone with a "Hlth promotion Zoom01". Wonder if that was San Joaquin County Public Health

00:34:48 CSC - Alt- Brianna Rubio: Yes, that's me (Brianna Rubio - SJC PHS) I renamed myself :)

00:41:33 CSC-V-Matt Holmes-Little Manila Rising (he/him/his): Ditto, Thanks Gil.

00:42:01 CSC-V-Mariah Looney (she/her): Thank you for your effort, Gil. It's appreciated.

00:42:52 CSC-V-Matt Holmes-Little Manila Rising (he/him/his): And thank you Maria for your advocacy last Wednesday.

00:47:24 CSC-V-Jonathan Pruitt- Catholic Charities: We should allow all of their questions be addressed. We need quality conversation and collaboration from both SUSD, Valley Air District and Stockton CSC. Maybe it takes waiting for a special meeting with everyone before brought to the next Board meeting

00:47:59 R-V-Mary Elizabeth: Very important that everyone be informed so that there is no confusion.

00:50:26 R-V-Douglas Vigil: Silvia please response

00:51:13 CSC-V-Jonathan Pruitt- Catholic Charities: We are going to bring a lot of comments next time. Just wished we were aware of this meeting. CARB has been letting us know about the Stockton CERP agenda item in late July. Should be the same notice with SUSD meetings

00:52:01 CSC-V-Matt Holmes-Little Manila Rising (he/him/his): +++ Jonathan Lots of ways this CSC can support.

00:53:16 CSC-V-Jonathan Pruitt- Catholic Charities: CARB, we'll come through with the comments :)

00:53:23 CSC-V-Jonathan Pruitt- Catholic Charities: Can we attend in person?

00:53:47 CSC-V-Jonathan Pruitt- Catholic Charities: Or is it still only virtual for CARB meetings?

00:54:05 CARB - Deldi Reyes (she, her/s): It is still only virtual at this point.

00:55:57 CSC-V-Mariah Looney (she/her): Thank you Skott!

00:56:23 CSC-V-Jonathan Pruitt- Catholic Charities: Are there residents on the call right now that would be interested in writing or speaking at the virtual CARB meeting? I'd be willing to work with anyone on their comment letter and/or speech

00:57:11 CARB - Skott Wall: Please let me know if you'd like to be prioritized for CSC member comments at our Board meeting to hear the Stockton CERP on July 29th:

01:14:50 CSC-V-Jonathan Pruitt- Catholic Charities: Douglas is right. It can be interpreted differently. Something to be mindful for

01:16:53 CSC-V-Jonathan Pruitt- Catholic Charities: A good point. Cities have their own complaint hotlines and so it needs to be clear that anything air related is Air Districts.

01:21:08 Anthony Presto, AD: www.valleyair.org/app

01:21:38 CSC-V-Jonathan Pruitt- Catholic Charities: I definitely don't have any space left on my phone lol

01:31:49 CSC-V-Jonathan Pruitt- Catholic Charities: That would be part of the public outreach subcommittee to discuss the information and the media

01:35:14 CSC-V-Jonathan Pruitt- Catholic Charities: When it comes to the Enforcement subcommittee, would we be able to be updated by VAD on specific projects Stockton is trying to develop within the boundary zone? Unfortunately, it's been hectic to follow CEQAnet when I have all of San Joaquin county to stay on top of

01:35:26 CSC-V-Ed Ward: Thanks John well presented

01:36:29 R-V-Taylor Williams: Yes, thanks for sharing John. And totally agree with that Jonathan ^^

01:38:57 CSC-V-Jonathan Pruitt- Catholic Charities: For example: The crematorium that was trying to be passed on California Street that was less than 100 feet from residents

01:39:06 CSC-V-Ed Ward: Is the 2019-2020 year enforcement document available yet from the air district?

01:39:19 CARB - Deldi Reyes (she, her/s): CARB OCAP may also comment under CEQA for certain projects within AB 617 communities

01:40:35 CSC-V-Jonathan Pruitt- Catholic Charities: @Deldi, I would love if OCAP provided comments! I feel bad for asking Stanley Armstrong from CARB to get comments in when he's already busy

01:42:35 CSC-V-Matt Holmes-Little Manila Rising (he/him/his): Might be easier for my question to be answered from our friends in Sacto....if we could see some sort of "CARB OCAP spreadsheet" that reveals implementation dollars delivered to SJVAPCD/CARB to implement Stockton's 617. Would help us know what kind of increase in activity/people power we should be looking for.

01:43:24 John Cadrett- AD: Ed, I believe the plan is to put out the annual report one year after the CERP was adopted.

01:44:08 CARB - Deldi Reyes (she, her/s): That's a great suggestion, Mary Elizabeth.

01:44:20 CSC-V-Jonathan Pruitt- Catholic Charities: Mary, do you mean a cheat sheet for residents to breeze through CEQA documents?

01:44:25 R-V-Regina Griffin: thank you Mary Elizabeth

01:44:40 Ryan Hayashi - AD: @Mary: That is something we can look to provide to interested members of the CSC

01:44:46 CSC-V-Jonathan Pruitt- Catholic Charities: Shoot, I'd love that for myself lol

01:46:08 CSC-V-Ed Ward: These presentations will be available on the 617 website?

01:48:03 CSC-V-Jonathan Pruitt- Catholic Charities: PEAK?

01:48:18 CSC-V-Matt Holmes-Little Manila Rising (he/him/his): Love that truck catcher

01:50:17 Trish Johnson - CARB: Portable Emissions Acquisition System (PEAQs)

01:50:24 CSC-V-Jonathan Pruitt- Catholic Charities: Thank you Trish

01:51:02 CSC-V-Jonathan Pruitt- Catholic Charities: I would also include U.S. EPA in that list

01:54:44 CARB - Skott Wall: @Ed - if you are referring to the two Enforcement presentations, I believe they are already posted. <http://community.valleyair.org/selected-communities/stockton/steering-committee-meetings/>

01:56:28 Ryan Hayashi - AD: @Matt, thanks

01:57:00 CARB - Eric Bissinger: https://ww2.arb.ca.gov/sites/default/files/classic/cc/capandtrade/auctionproceeds/2020_cci_annual_report.pdf

01:58:59 Regina Mcdoniels - CARB: https://ww2.arb.ca.gov/sites/default/files/2021-06/2020_Annual_Enforcement_Report.pdf

01:59:08 CARB - Eric Bissinger: CARB annual report is above

02:00:01 Ryan Hayashi - AD: @Ed, we are in the process of completing the new annual report, here is a link to last year's report https://www.valleyair.org/General_info/pubdocs/2019-20-Annual-Report.PDF

02:00:34 CSC-V-Ed Ward: Thank you Ryan

02:01:10 CARB - Eric Bissinger: EDVS: <https://webmaps.arb.ca.gov/edvs/#:~:text=EDVS%20includes%20enforcement%20statistics%20from,in%20EDVS%20is%20updated%20annually.>

02:01:15 CSC-V-Ed Ward: Eric thank you for your presentation

02:01:16 CSC-V-Jonathan Pruitt- Catholic Charities: Possibly a request for the future: Could we include all of the links and some quick 1 sentence background from those links in the follow up email? This is great info and I'd like for the CSC to find them and not just hiding through the chat

02:01:50 CSC-V-Ed Ward: Good Idea Jonathan

02:01:51 CSC-V-Matt Holmes-Little Manila Rising (he/him/his): @Doug Senate Bill 535 and Assembly Bill 1550 define Disadvantaged Communities in CA

02:02:35 Ryan Hayashi - AD: @Jonathan, we can work with CARB to provide the links with basic info in an email to the CSC

02:02:52 CSC-V-Jonathan Pruitt- Catholic Charities: Thank you Ryan!

02:03:37 CSC-V-Jonathan Pruitt- Catholic Charities: Oh hey Warren

02:06:58 R-V-Douglas Vigil: Thank Matt

02:11:38 CSC-V-Kenda Templeton: How about current member or previously selected alternate

02:12:10 CSC-V-Jonathan Pruitt- Catholic Charities: Kenda, could you go more into that?

02:12:26 CSC-V-Matt Holmes-Little Manila Rising (he/him/his): There's already definition around what an alternate's role is.

02:12:44 CSC-V-Jonathan Pruitt- Catholic Charities: Regina has her hand up

02:13:05 CSC-V-Kenda Templeton: just suggesting that it is the "designated" alternate

02:15:54 CSC-V-Matt Holmes-Little Manila Rising (he/him/his): Gotcha Kenda

02:20:11 R-V-Regina Griffin: Interesting point Ned

02:21:38 CSC-V-Jonathan Pruitt- Catholic Charities: It seems there are things that still need to be updated. Does it make sense to vote on something that isn't fully completed? Would we vote and then expect the finish product after?

02:22:10 R-V-Regina Griffin: Thanks Douglas

02:22:27 CSC-V-Matt Holmes-Little Manila Rising (he/him/his): I'll just support Ned here that we should be able to move and second to adjust the agenda content. That's Normal.

02:22:28 CSC-V-Matt Holmes-Little Manila Rising (he/him/his): But I also appreciate that there is a pattern of losing the thread in these meetings so I think this language is trying to establish a parking lot feature for unaddressed items.

02:22:42 CSC-V-Matt Holmes-Little Manila Rising (he/him/his): I think we can have it both ways

02:23:32 R-V-Mary Elizabeth: There was some adjustments to be made that Ryan referenced. We should be voiting on the final.

02:23:36 CSC-V-Ed Ward: Matt I am interested in the blending of methyods...

02:23:49 CSC-V-Ed Ward: Methods...

02:24:52 R-V-Ned Leiba: The vote is a hot issue. It should have been first on the agenda today so there would have been sufficient time. Two members should be sufficient to place something on a agenda, current or future. That was clearly the proposal discussed and it should be a matter for focused discussion and then action. Thank you.

02:27:23 R-V-Karl E. "Nate" Knodt: We should make this voting measure first up in the August meeting.

02:28:15 Hanna - ILG: Thank you Nate and Ned. Your comments are noted

02:28:40 CSC-V-Jonathan Pruitt- Catholic Charities: I miss two meetings a month lol

02:29:06 R-V-Taylor Williams: Can we share language we'd like to be included in the charter directly with AD? So there's no guessing at meaning?

02:32:21 CSC-V-Jonathan Pruitt- Catholic Charities: 1. Gil will let us know on the next SUSD governing board meeting that will discuss monitoring

02:32:32 CSC-V-Jonathan Pruitt- Catholic Charities: annddd i'm too slow

02:33:47 CSC-V-Jonathan Pruitt- Catholic Charities: I appreciate this breakdown Erica. Really helps!

02:34:18 CSC-V-Matt Holmes-Little Manila Rising (he/him/his): One More for you:

I also requested a transparent "Stockton budget implementation Allocation" from CARB for both CARB activity and SJVAPCD Activity in the Study Area so we can gauge how to best support Enforcement Actions.

02:34:35 R-V-Regina Griffin: Thanks Erica

02:35:04 Ryan Hayashi - AD: @Erica, yes

02:35:31 R-V-Taylor Williams: Thanks, Erica & Ryan

02:35:38 R-V-Ned Leiba: I will offer some proposed language for a two vote requirement to place an item on the agenda.

02:35:39 R-V-Mary Elizabeth: Thank you everyone and I hope I was not too abrupt.

02:36:20 CSC-V-Jonathan Pruitt- Catholic Charities: Thanks everyone for a wonderful meeting this evening!

02:37:21 R-V-Regina Griffin: Thanks everyone ... good night

02:37:28 R-V Stacey Panyasee: Thanks everyone, have a great evening!

02:37:37 R-V-Taylor Williams: Thanks all! Have a great night
