18:29:27 From Jessica Olsen - Valley Air District : https://community.valleyair.org/media/4pmjffgt/4102023_ev-infrastructure-measure-changes.pdf

18:30:04 From Cesar A, CSC CCEJN : The folks here also like apple market and the laundromat

18:30:09 From Jessica Olsen - Valley Air District : Reacted to "The folks here also ..." with ♥

18:30:19 From CSC R-Lynnda Martin : What about the schools? Golden Oak, Shafter High School - there is a lot out in front. Richland Jr High. Also the Richland pool is going thru renovation. That could be another that is in a neighborhood and visitors.

18:30:31 From Vanessa Gomez, H+Co (she/her/ella) : Reacted to "The folks here also ..." with ♥

18:32:08 From Jessica Olsen - Valley Air District : We have over \$600K left. With the CalEVIP funding, we can fund about 12 fast chargers, or about 3 locations.

18:32:27 From CSC R-Lynnda Martin : Reacted to "We have over \$600K I..." with 👍

18:34:23 From Spanish Interpreter, Tania, Linguística : Cesar A, CSC CCEJN
A la gente de aquí también le gusta apple market y la lavandería

CSC R-Lynnda Martin
¿Y las escuelas? Golden Oak, Shafter High School - hay un lote en frente. Richland Jr High. También la piscina Richland está pasando por la renovación. Eso podría ser otro que está en un barrio y los visitantes.

Jessica Olsen - Distrito de Aire del Valle
Nos quedan más de \$600K. Con la financiación CalEVIP, podemos financiar unos 12 cargadores rápidos, o alrededor de 3 lugares.

18:36:35 From CSC R-Lynnda Martin : will we get a map once the assessments are done on infrastructure? Some of these are very close together.

18:37:01 From Jessica Olsen - Valley Air District : Reacted to "will we get a map on..." with 👍

18:40:03 From Spanish Interpreter, Tania, Linguística : CSC R-Lynnda Martin
¿tendremos un mapa una vez que se realicen las evaluaciones de las infraestructuras? Algunas están muy cerca unas de otras.

18:41:10 From CSC R-Lynnda Martin : Do we know if more residents need this? They would charge at home right? Do we know if teachers whom commute would use these more? or businesses for their employees? Is there any data of EV cars in Shafter?

18:41:44 From Spanish Interpreter, Tania, Linguistica : CSC R-Lynnda Martin
¿Sabemos si más residentes necesitan esto? ¿Cargarían en casa no? ¿Sabemos si los profesores que se desplazan al trabajo los utilizarían más? o las empresas para sus empleados? ¿Hay datos de coches EV en Shafter?

18:51:09 From CRC - R- Angie Nelson : Thank you for these events!

18:52:47 From Spanish Interpreter, Tania, Linguistica : CRC - R- Angie Nelson
