- 00:45:29 Jessica Olsen - Valley Air District: Applicants must describe the outreach plan to engage the South Central Fresno AB 617 community regarding the project, including descriptions of Strategies such as public workshops, events, and/or social media marketing plans
- 00:45:46 Jessica Olsen - Valley Air District: Key partners, their roles for outreach, and their knowledge and experience within the community Project website and materials (including any examples, such as applications for residents) that will be developed and who will be responsible for their development
- 00:55:06 Janet G: I thought we signed up to work together as 'solutionaries'. Some trees have been planted. Some agencies have given away trees to the community. Sometimes we do not have to wait for a government agency, just reach out and ask. You may be surprised at the positive responses.
- 01:05:54 Jessica Olsen - Valley Air District: For profit entities and their organizations are not eligible to apply.
- 01:14:50 Nayamin Martinez, CCEJN: I have another meeting
