

## Heavy-Duty Truck Subcommittee- Chat Transcript AUGUST 22, 2023 4:00- 5:00 PM

- 16:04:27 From Nancy Rios: [https://community.valleyair.org/media/hbdlijoxq/82223-heavy-duty-truck-subcommittee\\_agenda\\_bilingual.pdf?sfvrsn=6](https://community.valleyair.org/media/hbdlijoxq/82223-heavy-duty-truck-subcommittee_agenda_bilingual.pdf?sfvrsn=6)
- 16:25:02 From Janet G, CSC: Thank you for background info. With the Okay Produce are truck trips going to be tracked to see if the weight of the vehicles has an impact on the number of trucks on the road?
- 16:25:22 From Natalie Delgado: What is a PTO?
- 16:27:25 From Ryan Hayashi: @Natalie Delgado, PTO=Power Take Off, [https://en.wikipedia.org/wiki/Power\\_take-off](https://en.wikipedia.org/wiki/Power_take-off)
- 16:28:21 From Nasreen Johnson - alt CSC (she/her): Refuse trucks are also limited because of weight, range, and charge time. It would take about two electric garbage trucks to replace one CNG truck.
- 16:29:02 From Jennifer Magana | CARB: We can have our ACF Staff provide some additional information and certainly send it out to the group. - CARB
- 16:30:33 From Jennifer Magana | CARB: ACF Questions - Email: [zevfleet@arb.ca.gov](mailto:zevfleet@arb.ca.gov)
- 16:30:49 From Jennifer Magana | CARB: or directly to me: [Jennifer.magana@arb.ca.gov](mailto:Jennifer.magana@arb.ca.gov)
- 16:48:02 From Nancy Rios: <https://community.valleyair.org/selected-communities/south-central-fresno/communication-with-members/fresno-truck-project-plan/>
- 17:01:19 From Natalie Delgado: Would it be possible to have a budget breakdown for this pilot CERP?
- 17:01:37 From Natalie Delgado: What's going to be allocated to OK produce and what is going to be left over?
- 17:23:36 From Nasreen Johnson - alt CSC (she/her): My Ford Escape Hybrid has a severe recall - that they can't fix until maybe October.
