

Stockton AB 617 CSC Meeting - Chat Transcript September 2, 2026 5:00- 7:00p.m.

00:30:13 R - Nate Knodt - Stockton: Great Observation Margo!

00:30:34 CSC- Ector Olivares, Catholic Charities of Stockton: Could Haggin be affected by the cooking and sale of food there?

00:32:30 Cassandra Melching -AD: There are also a lot of historic homes near that area that have fireplaces.

00:59:01 Cassandra Melching -AD: The next repair event is Dec. 5th at the Fairgrounds.

00:59:14 Amy Ramos, H+Co: Reacted to "The next repair event is Dec. 5th at the Fairgrounds." with 🍑

01:13:18 CSC- Ector Olivares, Catholic Charities of Stockton: Is there any email contact with the past residents who received them to inform them they are eligible to receive another one?

01:16:22 R - Mary Elizabeth: Replying to "There are also a lot of historic homes near that area that have fireplaces."
Second quarter was not especially cold.

01:20:50 R - Nate Knodt - Stockton: I agree with Dr. Farrell. Thursday, or Margo go with December first week. If not Thursday, another week or December

01:20:59 R-Florence Quilantang: Reacted to "I agree with Dr. Farrell. Thursday, or Margo go with December first week. If not Thursday, another week or December" with 🍑

01:50:40 R - Mary Elizabeth: City Tree Map

01:53:15 Jasmine Peterson (she/her): Hi everyone!

01:55:18 R - Nate Knodt - Stockton: Jasmine's update is very welcome towards a very good program.

01:55:50 Jasmine Peterson (she/her): Thank you Kevin!

01:56:32 Jasmine Peterson (she/her): 🍀 The Draft Plan and all links related to the plan can be found here: linktr.ee/Stockton_ClimatePlan

01:57:35 Nicolas Tamayo - LMR: Thank you everyone. If you have any further questions, please reach out to me at nicolas@littlemanila.org or if you or anyone you know may be interested in stewarding a tree at your home, church, or business within the AB617 boundary, please send an inquiry to trees@littlemanila.org. Have a great night!

02:00:36 R - Nate Knodt - Stockton: To All:

02:01:03 Kevin Olp | CARB (he/him): kevin.olp@arb.ca.gov

02:01:15 R - Nate Knodt - Stockton: I am nursing a leg injury and must leave meeting at this time. Thank you all! Nate

02:01:33 Sarah Sullivant | CARB (she/her): In the interest of respecting everyone's time, I am going to put a few additional CARB updates that may be of interest in the chat.

02:01:49 Sarah Sullivant | CARB (she/her): CARB has released a draft [Roadmap to Reduce Air Toxics](#), which is a strategy to guide the state's efforts to reduce the impacts of air toxics on communities across California over the next 20 years. We invite you to help shape this work by submitting a public comment by September 16th. [Public Comments on the Draft Roadmap to Reduce Air Toxics | California Air Resources Board](#)

02:01:54 R - Mary Elizabeth: mebeth@outlook.com for interest to serve as an alternate for me on the CARB AB617 Consultation Group.

02:02:06 Sarah Sullivant | CARB (she/her): The [Peer-to-Peer \(P2P\) Learning](#) Series is a space where community members, air districts, CARB, industry and other partners can connect, share experiences, and learn from one another. More on the sessions here: [You're Invited: Peer-to-Peer Learning Series - Session #2 and Session #3](#)

September 29th - 5:30 pm - 7:30 pm

October 29th - 5:30 pm - 7:30 pm

02:02:31 Sarah Sullivant | CARB (she/her): The Consultation Group, mentioned by Mary Elizabeth, advises CARB on the implementation of AB 617, and the [Community Air Protection Program \(CAP Program\)](#). Upcoming public Study Sessions

September 14, 1-4 pm, Consultation Group Study Session #1 - Topic: Roadmap to Reduce Air Toxics

October 29, 9-12 pm, Consultation Group Study Session #2 - Topic: Reducing Air Pollution, Program Improvements, and Community Air Grants Cycle 6 Request for Applications.

02:04:10 R - Mary Elizabeth: Reacted to "The Consultation Group, mentioned by Mary Elizabeth, advises CARB on the implementation of AB 617, and the Community Air Protection Program (CAP Program). Upcoming public Study Sessions

September 14, 1-4 pm, Consultation Group Study Session #1 - Topic: Roadmap to Reduce Air Toxics
