Monday, August 11, 2025, 1:00 p.m. – 3:00 p.m.

The Truck Regulation Implementation Group (TRIG) is having an infrastructure meeting to inform truck drivers, fleets and dealers about publicly accessible heavy-duty charging and hydrogen fueling stations. Representatives from Pilot, First Element Fuels, Shell, Forum Mobility and others will talk about stations that are open today and within the next year, and will address: hours of operation, conditions for station access and use, fuel price and payment mechanisms, and more. - 18:55:41 From Christine Viterelli : If they need an electrical upgrade it would be more, a lot of homes don't have an extra 240 volt outlet. Especially in Arvin and Lamont. Every time the City has had to add chargers we have had to upgrade transformers here.
- 18:56:13 From Heather Heinks : Yes, recognizing that is an issue in your area.
- 18:58:20 From CSC-Cesar Aguirre : I think we are still the biggest CSC in the state? 🧐
