

**Stockton AB 617 CAMP Subcommittee Meeting – Chat Transcript**  
**August 4, 2021 4-5 p.m.**

16:07:45 From Jonathan Pruitt- Catholic Charities to Everyone : Would it take a separate meeting with Board members Maria Mendez?

16:13:57 From Jonathan Pruitt- Catholic Charities to Everyone : I'd really like to figure out how to get SUSD involved though. It could work if the board members were fully informed

16:15:43 From Mary Elizabeth to Everyone : I have requested that the County of Office of Ed send me the 2020 FIT report which is part of Williams Act effort to ensure that schools are safe and which includes a roof rating. I could not find any other information other than reviewing the SARC for each school which is another possibility for the 7 schools.

16:21:33 From R - CSC - Mary Elizabeth to Everyone : I say go with plan B

16:22:07 From Jonathan Pruitt- Catholic Charities to Everyone : Okay let's do that then

16:24:27 From R - CSC - Mary Elizabeth to Everyone : The SUSD school district allocated 7 million for UV equipment to "treat" HVAC filtered air which Sac City abandoned.

16:28:27 From CSC - Matt Holmes (he/him/his) to Everyone : UV Filters...Really. :-/

16:32:21 From CSC - Jonathan Pruitt- Catholic Charities to Everyone : Can we do the Trailer at least at Washington Elementary? Doesn't deal with the roof. It could be it's own agenda item
