

Stockton AB 617 CSC Meeting- Chat Transcript November 5, 2025 5:00- 7:00p.m

00:14:47 CSC- Ector Olivares, Catholic Charities: Will Valley Air start uploading CSC meetings to Youtube?

00:16:14 Rocio Calderon - AD: Replying to "Will Valley Air star..."
<https://www.youtube.com/@ValleyAirDistrict/streams>

00:18:15 CSC- Ector Olivares, Catholic Charities: Replying to "Will Valley Air star..."
Thank you. I was looking under the Video section and not the Live section for our Stockton CSC

00:20:02 Rocio Calderon - AD: Reacted to "Thank you. I was loo..." with 👍

00:36:01 Sarah Hasan Lane- SJVAPCD: hello, for the Heavy-Duty Charging infrastructure, Sunrise Sanitation Service, Inc installed 2 Level 2 single port chargers and 9 dual port DCFC chargers

00:38:29 Sarah Hasan Lane- SJVAPCD: The facility is at 1145 W Charter Way in Stockton, CA 95206

00:38:45 R - Nate Knodt - Stockton: Stockton-based Republic Sanitation Electric Trucks are serving my neighborhood of Acacia St - Yosemite - Baker - Pershing Victory Park area.

00:41:13 R-Mary Elizabeth: Can we get the amount of money left for each incentive?

00:41:22 Jared Zachary, H+Co (he/him): Reacted to "Can we get the amoun..." with 👍

00:41:57 Jared Zachary, H+Co (he/him): Replying to "Can we get the amoun..."
I think that might be coming up Mary Elizabeth 🤔

00:46:41 R-Mary Elizabeth: Replying to "Can we get the amoun..."
Why again can't residents with wood burning stove/fireplaces use the incentive to help with a heat pump?

00:49:16 Nhia Vu - AD: Replying to "Can we get the amoun..."
Hi Mary - Electric heat pumps are an eligible replacement option under the District's Fireplace and Woodstove Change-Out Program, which is available for Stockton residents.

00:50:14 Jared Zachary, H+Co (he/him): Reacted to "Hi Mary - Electric h..." with 🙌

00:50:26 Heather Heinks: Reacted to "Hi Mary - Electric h..." with ☀️

00:52:44 Rocio Calderon - AD: Fireplace & Woodstove Change-Out
<https://www.valleyair.org/grants/fireplace-and-woodstove-change-out/>

00:55:18 Heather Heinks:We can send Mary printed copies as well

01:02:30 R-Mary Elizabeth: Automotive Electric Technology | San Joaquin Delta College Home

01:02:32 Heather Heinks:To access the online map where residents can check to see if they are in-boundary, drop this into the address bar of your browser:
community.valleyair.org/checkstockton

01:03:38 Sarah Hasan Lane- SJVAPCD: Replying to "To access the online..."

01:04:12 R-Mary Elizabeth: Trainings

01:04:24 R- Jazzy & Bobby: We would be interested to hear about the EV mechanics - Jazzy

01:06:13 R-Mary Elizabeth: ZEV Training for San Joaquin County — Housing Authority of the County of San Joaquin. Training for introductory ZEV careers and skill development. Stipends provided for EV Charging Installation and Maintenance and EV Customer Service courses held at San Joaquin Delta Community College and the Green Economy Lab in Stockton, California.

01:07:17 Heather Heinks:Reacted to "https://sjvapcd.maps..." with ☒

01:13:43 R - Nate Knodt - Stockton: My guess memory is about \$ 2.5 Million or more for new RR Locomotive.

01:17:46 R-Mary Elizabeth: ebikes a a new measure?

01:18:28 R - Nate Knodt - Stockton: Wabtec (formerly General Electric) lists large new RR locomotives at over \$1,000,000 each. Size and BEL will determine actual cost. Wabtec has placed BEL RR Locomotives into their catalogue. Presumably Hybrid BEL Locos will cost more than a Standard Diesel Electric Loco.

01:23:47 R - Nate Knodt - Stockton: SUSD and RTD have large Electric Bus Fleets and probably could use more Heavy Duty Depot Chargers than what they currently have. However, they must also have Utility (PG & E) Grid connections and capacity to operate these additional chargers. It is very time consuming to get approval and installation of chargers from PG & E!

01:26:36 R - Nate Knodt - Stockton: SUSD and RTD each have about 30-35 BEL Busers.

01:27:31 R - Nate Knodt - Stockton: RTD has been committed to all BEL Bus Fleet by about 2030.

01:43:24 Heather Heinks:retailerlist-582025.pdf

01:44:03 Heather Heinks:Above link takes you to the list of approved hearth retailers for our Change-out program

01:59:26 R - Nate Knodt - Stockton: I have 7:00 pm engagement and must now leave, Thank you every one!

01:59:35 R-Mary Elizabeth: There is a need for a Stockton alternate for the SJVAPCD Citizen's Advisory Committee. Ned is the primary environment representative and there is a need for an alternate.

01:59:37 Jared Zachary, H+Co (he/him): Thank you Nate!

02:02:09 Brian Moore | CARB: Community Air Protection Consultation Group Meeting: Sep. 8, 2025 | California Air Resources Board

02:04:58 Deldi Reyes, she, her/s | CARB: <https://ww2.arb.ca.gov/capp/community-air-protection-program>

02:05:31 Brian Moore | CARB: Peer-to-peer network: AB 617 | UC Davis Center for Regional Change

02:05:56 Brian Moore | CARB: brian.moore@arb.ca.gov
