00:18:04 Stephanie Ng: oh I forgot to announce as well that we'll take a break from 2:30-2:40 pm, so our interpreter gets a break :)

00:18:28 Brianna Rubio: I'm note taking :)

00:23:50 Heather Heinks: Thank you Brianna!

00:25:45 Juan Luis Carranza: @ 2 MINUTES before our next agenda item, team.

00:28:01 Heather Heinks: Very good point Jonathan.... we'll add CCI and our logo

00:28:02 Heather Heinks: yes

00:31:14 Juan Luis Carranza: Since we were not able to cover all action item updates, we will follow up with that information and also post on the Outreach Subcommittee page.

00:31:42 Jonathan Pruitt- Catholic Charities: I just realized we didn't get with all of them ://// I'm sorry!!

00:36:40 Nate Knodt: I reluctantly agree with Espe's Online Meeting Workshop format with breakout rooms and bilingual "rooms" and formatting. I really wish for in-person generally, but COVID is on another wave.

00:37:08 Nate Knodt: If we go in-person, must have strict masking and social distancing.

00:38:29 Nate Knodt: I too have recently heard from several people getting COVID at in-person gatherings.

00:40:41 Nate Knodt: Delta Protection Committee workshops conducted meetings but all attendees had to test negative with quick tests at the location before being admitted. That of course is expensive and time-consuming, but it did work. Hybrid executed well could work.

00:41:03 Jonathan Pruitt- Catholic Charities: Everyone in the meeting: Please provide your thoughts in the chat. In person, Hybrid (outside), virtual only

00:42:12 Margo Paus: Prefer virtual only for now. Maybe consider Hybrid.

00:42:37 CSC-Ed Ward: hybrid

00:42:43 Brianna Rubio: Here at PHS we are back to wearing masks indoor and are not having in-person meetings since we had an outbreak in our department recently. I am going to go with virtual for now until cases go down.

00:43:01 Nate Knodt: I prefer to go with Hybrid format with masking and social distancing, testing also is provided free for attendees.

00:43:38 Nate Knodt: Should say, testing "IF" provided free.

00:44:59 Jonathan Pruitt- Catholic Charities: I prefer Hybrid

00:46:07 Jonathan Pruitt- Catholic Charities: with the caveat that there is strict requirements

00:50:01 Jonathan Pruitt- Catholic Charities: Is there a way to do a poll Air District? So that it's official?

00:50:10 Jonathan Pruitt- Catholic Charities: And we see where we are at with the group?

00:53:11 Juan Luis Carranza: I can capture that information Jonathan. If we can quickly go around the room again to confirm. I'll be glad to share my screen for the members to ensure their opinion is accurately captured.

00:56:36 Nate Knodt: My first choice is Hybrid, but I am OK with Online for the next meeting as described by Heather and Espe.

01:10:40 Heather Heinks:develop a small script, so to speak
