16:25:18 From Matt Holmes to Everyone: Totally understand the basic premises, but our 617 \$'s don't fall under the traditional premises, correct?

16:30:27 From Matt Holmes to Everyone: Yeah Moyer has failed to address this issue. We can certainly help increase political will to get this pushed into addressing these persistent hyper-local impacts of HDT

16:30:39 From Matt Holmes to Everyone: Thanks Brian

16:31:35 From Brian Dodds to Everyone: No problem.

16:43:04 From Cynthia Pinto-Cabrera, CVAQ to Everyone: I second that

16:46:42 From Matt Holmes to Everyone: I think the csc would accept a healthy mix of strategies

16:46:49 From Matt Holmes to Everyone: That's smart Jess

16:53:48 From Jeannine Tackett to Everyone: [Jeannine.Tackett@valleyair.org](mailto:Jeannine.Tackett@valleyair.org) 559-230-5843

16:55:00 From Nate Knodt to Everyone: Jeannine does this number received text messages?

16:57:59 From Matt Holmes to Everyone: Thanks Jonathan for catching that person's experience.

16:59:11 From Matt Holmes to Everyone: I will only be at a part of it unfortunately; CARB scheduled an AB32 Listening Session

17:00:01 From Nate Knodt to Everyone: Yes let us move forward concurrently on with two phases of deadlines. Yes, I expect to be at most of meeting but may have to leave at 6:45.
