

Stockton Enforcement Update

Third Quarter 2022

Covering enforcement activities in the community from 7/1/22 through 9/30/22:

Fugitive Dust – District Regulation VIII

- CERP Commitment: One targeted enforcement effort during the 2nd and 3rd quarters, which tend to be the driest times of the year and most likely to have issues with fugitive dust from earthmoving activities
- 5 construction project sites inspected for compliance with District and state regulations
- 1 administrative violation found

Statewide Anti-Idling Enforcement

- CERP Commitment: One targeted enforcement effort during each quarter
- No public complaints of idling diesel trucks received
- No violations of CARB's anti-idling regulation cited during District enforcement

Stationary Source Inspections

- CERP commitment: Increased inspection frequency at facilities which received an emissions violation in the last 3 years
- 47 total stationary source inspections (46 compliance inspections & 1 source test observation)
- 10 violations found – 3 were emissions related

Public Complaints

- 4 public complaints responded to in the community (2 residential open burning, 1 odor, 1 other)
- 2 violations found as a result of complaint investigations – both emissions related
- Complaints can be reported to the District by:
