01:06:30 R-CSC-Jesus Alonso: How far is that fire from the monitor?

01:07:25 Cesar CCEJN: I could smell it in east Bakersfield

01:09:55 Spanish Interpreter, Dayana, Lingüística: R-CSC- Jesus Alonso: ¿A qué distancia está ese incendio del monitor?

01:10:35 Spanish Interpreter, Dayana, Lingüística: Cesar CCEJN: Podía olerlo en el este de Bakersfield.

01:10:42 Brad Dawson-AD: Replying to "How far is that fire..."

it is about 4 miles per google from the monitor at Mountain View Middle School. Other sites in the Bakersfield area have been affected as well.

01:10:50 Emma De La Rosa, LJCA: Does the presentation also incorporate data from the refinery fence line monitoring?

- 01:11:33 Spanish Interpreter, Dayana, Lingüística: Brad Dawson - AD: Según Google, está a unas 4 millas del monitor ubicado en la Mountain View Middle School. Otros sitios en el área de Bakersfield también se han visto afectados.
- 01:11:52 Brad Dawson-AD: Replying to "Does the presentatio..." The monitor at Mountain View Middle School is used for this community as well as the refinery community monitor.
- 01:12:28 Spanish Interpreter, Dayana, Lingüística: Emma de la Rosa, LJCA: ¿La presentación también incorpora datos del monitoreo del perímetro de la refinería?
- 01:13:16 Spanish Interpreter, Dayana, Lingüística: Brad Dawson - AD: El monitor de la Mountain View Middle School se utiliza tanto para esta comunidad como para el monitor comunitario de la refinería.

- 01:57:22 Michelle Byars - CARB: Giving the interpreters a little extra time on two announcements I'll give...

CARB is taking comments through Mar. 30, 2026 to inform our work to reduce methane emissions from the dairy and livestock sector. Staff are preparing a plan for a livestock methane regulation, pursuant to the requirements of SB 1383 (2016). More here: Dairy and Livestock Methane: Informational Solicitation (English only.)
- 01:57:43 Michelle Byars - CARB: 2. Due soon! Feb. 10, 2026 An opportunity that could provide funds (up to \$500k) for community-based organizations, local governments, public schools, and Tribal governments to work toward

"transportation investments that reflect local priorities." More here: Reminder to Apply for Community Planning and Capacity Building Grants (English only)

02:04:41 R-CSC-Jesus Alonso: Thank you Gustavo for updating on the Lamont Park. I'm disappointed that the project has taken so long it now needs more money to deliver. I am in favor of considering their proposal in order to not lose any project aspects.

02:05:31 Olivia Calderón: Great presentation Pedro! Thank you to everyone for your support! We are committed to working in partnership with our beloved community to achieve great things! 🙌

02:05:31 Michelle Byars - CARB: I'm happy to skip the verbal update. I hope you find the two things above useful for the community.

02:17:03 Maziar Kandelous - DPR: Article 4. Storage, Transportation and Disposal
6670. General Requirement.

Pesticides, emptied containers or parts thereof, or equipment that holds or has held a pesticide, shall not be stored, handled, emptied, disposed of, or left unattended in such a manner or at any place where they may present a hazard to persons, animals (including bees), food, feed, crops or property. The commissioner may take possession of such unattended pesticides or emptied containers to abate such hazard.

NOTE: Authority cited: Sections 11456, 12976 and 12981, Food and Agricultural Code.

Reference: Sections 11501, 12981 and 14102, Food and Agricultural Code.

6672. Security of Pesticides and Pesticide Containers.

(a) No person shall deliver a container that holds, or has held, a pesticide to a property unless he stores it in an enclosure or closure complying with the requirements of this Section or delivers it to a person in charge of the property or

his agent, or a pest control operator or his employee. The person receiving the

02:27:47 R-Tim Prado: Can we know what canal we are speak about.

02:29:26 Spanish Interpreter, Tania, Linguistica: R-Tim Prado

¿Podemos saber de qué canal estamos hablando?

02:30:18 R-Tim Prado: Not to be rude, but this seems like it's a water issue not an air
district issue and he should bring it up with a local regional water control district

02:30:39 Spanish Interpreter, Tania, Linguistica: R-Tim Prado

No quiero ser grosero, pero esto parece ser un problema relacionado con el
agua, no con el distrito aéreo, y él debería plantearlo ante el distrito regional de
control del agua local.

02:31:31 R-Marie Gonzalez: good night

02:31:46 R-Tim Prado: Good night
