What is AB 617?

South Central Fresno was selected as an AB 617 community to be given expanded community air monitoring and additional resources to implement clean air strategies to address sources of concern and improve public health.

GRANT MONEY IS AVAILABLE to improve air quality in your community

Switch wood burning to electric/gas fireplace

Swap gas for electric lawn equipment

Replace high polluting vehicles with hybrid or electric

COMMUNITY AIR MONITORING

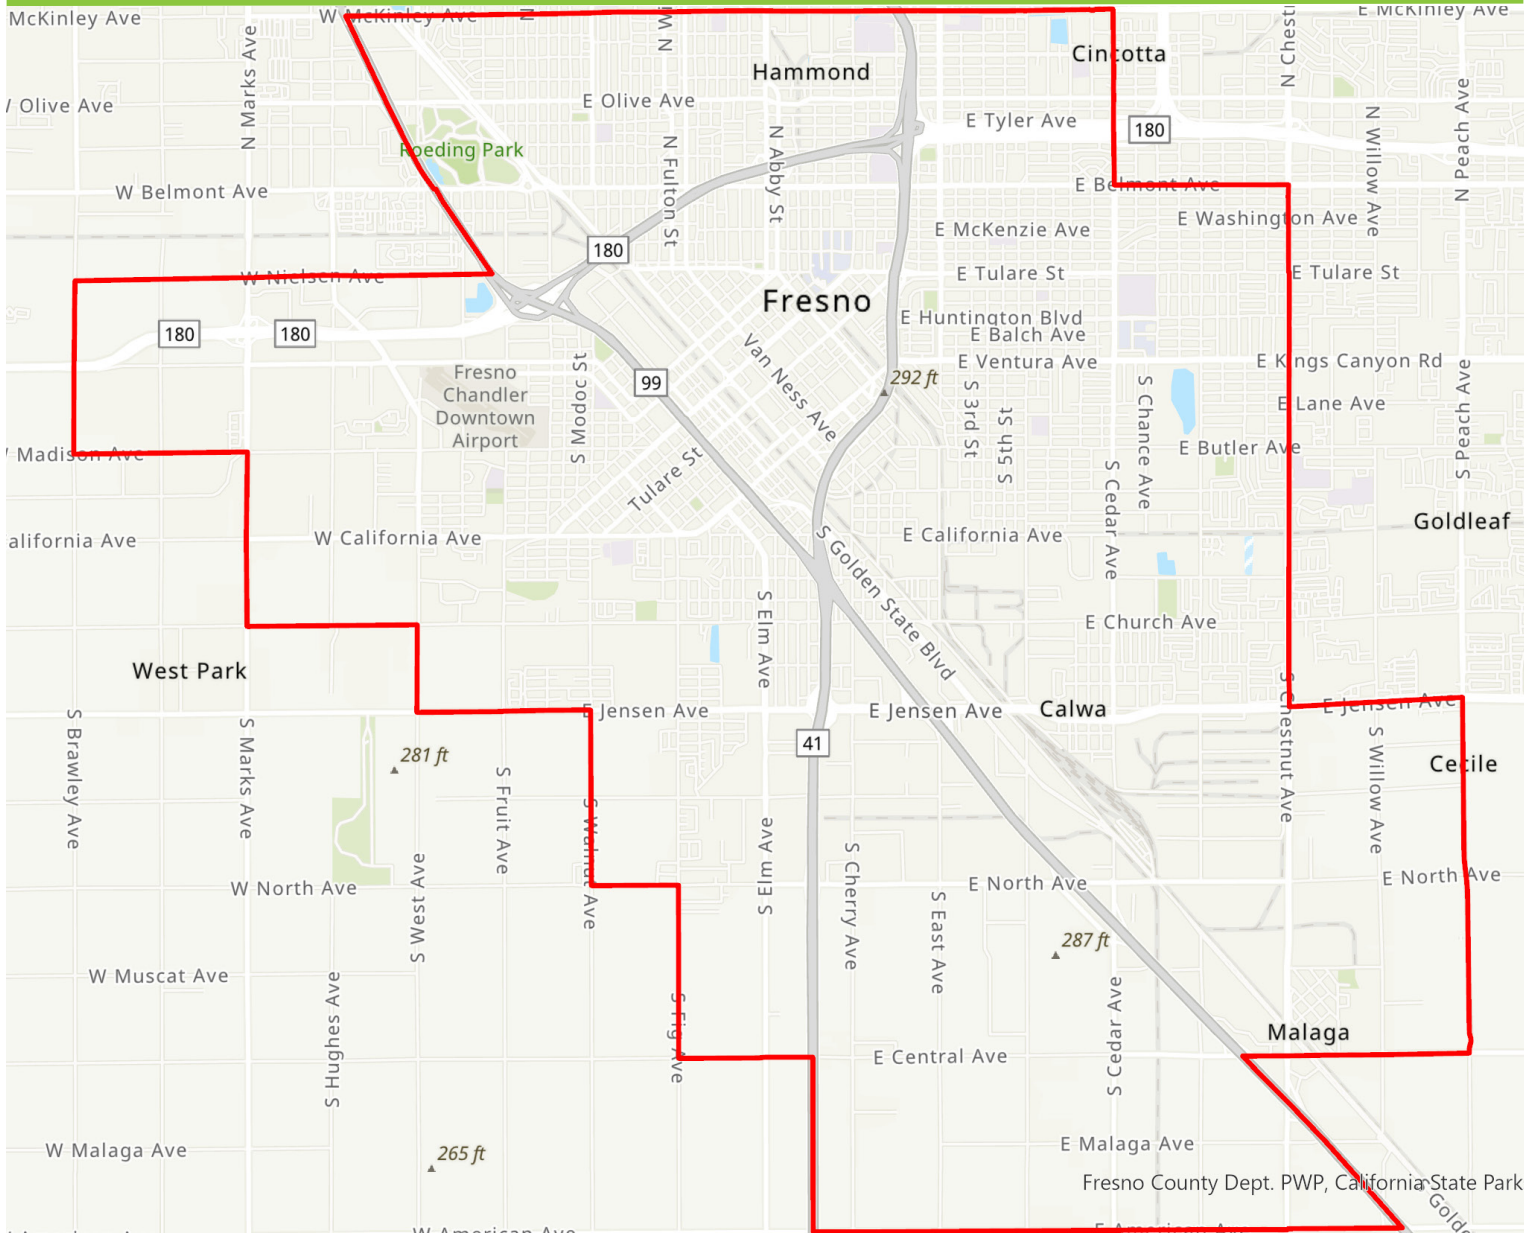

Access real-time air quality information in your community
community.valleyair.org/fresno-airmonitoring

The South Central Fresno AB 617 effort is driven by the Community Steering Committee, which is composed of community residents, businesses and advocates who assist the local air district in the implementation of air monitoring plans, an emission reduction program and more.
