01:34:09 Nicolas Tamayo, Little Manila Rising (he/him/his): Is this information available somewhere to access? We'd like to share it in our upcoming newsletter

01:37:16 R- Bobby Gomez & Jazmarie LaTour: It may be worthwhile to share the Clean Air Rooms program with Community Medical Centers and Health Plan of San Joaquin.

01:44:30 R- Bobby Gomez & Jazmarie LaTour: Has the housing authority been contacted so they can disseminate the information?

01:44:54 R Mary Elizabeth: How about the churches?

01:45:15 Stephanie Ng - Valley Air District: Replying to "Has the housing auth..."

yes! we have sent flyers for them to share with all of their offices and attended multiple events hosted by the housing authority

01:47:53 R Mary Elizabeth: I have not seen anything about the air filters for a long.....time

01:49:54 R- Bobby Gomez & Jazmarie LaTour: I'd be happy post a flier in the Stockton News Facebook group. There's a lot of people who engage in that group. I do see ads for the vehicle exchange program often and share each time but haven't seen a Facebook ad for the clean air rooms program. - Jazzy

02:05:59 GOV - Joyce Yee - SJCOG: Replying to "Community Air Grants..."

Kyle, could you send me those links - Joyce Yee, yee@sjcog.org, I'm glad to pass onto my colleagues at SJCOG to see if anyone knows of groups that would be interested in the Oct 8 workshop

02:08:19 CSC- Ector Olivares: Have you been able to connect with Washington Elementary?

02:08:24 Kyle Goff - CARB - he/him/his: Also, I should reiterate, I'll touch bases with you later this week, Doug, to follow-up for some more info on that article you'd referenced relating to the link between airborne moisture and air pollution, specifically for things like emissions of steam/water vapor

from industrial facilities.

I'll also get a response cooked up to share with everyone next month based on what my Research and Air Quality Science folks here in CARB have told me so far, though they noted the answers they were able to give me so far likely aren't that helpful without some extra information, though.

02:09:22 Kyle Goff - CARB - he/him/his: Replying to "Community Air Grants..."

Absolutely Joyce, will send you those links momentarily!

02:11:29 CSC- Ector Olivares: Are some of the barriers for the air purifier the need to upload documents from the residents?

02:13:29 CSC Espe Vielma EJCW: Not for us now. Plus staff are great help on the phone in English and Spanish
