## 2024 Kids' Calendar Contest

### Attention Students and Teachers – we need art!

Each year the Valley Air District creates a calendar complete with healthy air living messages and creative artwork from students kindergarten to 12th grade in the San Joaquin Valley. We will select multiple artists for the 2024 edition; so get out your markers, crayons, computers or paints to start your clean-air masterpiece!

### EXAMPLES of healthy air living messages:

- ▶ Drive less to help clean the air
- ▶ Turn off the engine while waiting to pick up kids from school
- ▶ Switch to a natural gas fireplace instead of burning wood
- ▶ Check air quality before outdoor activities
- ▶ Switch to a hybrid or electric car
- ▶ Ride your bike (or skateboard or scooter)
- ▶ Use electric lawn equipment instead of gas
- ▶ Don't burn trash
- ▶ Share a ride to work or school
- ▶ Know the air quality! Download the Valley Air app
