1	AD will keep working on ways to expand the outreach of indoor air filtration systems (for example, making this a key topic at the next Outreach subcommittee meeting scheduled for 2/12/2026) and designing flyers to help residents learn about the program.				
2	The Port of Stockton will share an update on its infrastructure plans (for the proposed project from Central California Traction Company (CCT) to replace two diesel switcher locomotives) at the next CSC meeting.				
3.	Revisit the Truck Rerouting study at a future meeting.				
4.	AD to present a summary of CERP status for discussion on funding allocation and spending plans.
